If you do not supply food for your bird this is charged at an additional £1.00 per day per animal and will be a seed mix suitable for the species.

We regret that we cannot accept credit/debit or switch card payments.

I would like Island Poultry to care for my pet(s) for the period indicated above and agree to pay in full as per boarding rates indicated. Island Poultry will undertake to care for my pet(s) as per my instructions. I also understand that if any veterinary attention is required during this time, she will make the necessary arrangements and I will be forwarded the bill. I also understand that I can place a limited on the amount I am willing to accept for veterinary services without further consultation. I agree to _____(minimum £50)

In the event that the veterinarian recommends that humane euthanasia of the animal is the only option (perhaps as a consequence of the monetary limit set), I give my full permission for Island Poultry to make the arrangements and I will honour any costs incurred.
